

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE DIVISION

IN RE: HIGH-TECH EMPLOYEE
ANTITRUST LITIGATION

Case No.: 11-CV-02509-LHK

ORDER DENYING MOTION TO
INTERVENE

THIS DOCUMENT RELATES TO:

ALL ACTIONS

Three individuals (“putative intervenors”) have filed a Motion to Intervene, which includes a Motion for Recusal. *See* ECF No. 952. Both the Motion to Intervene and the Motion for Recusal lack merit. Moreover, Cathy Jones, the attorney who purportedly signed these motions, has informed the Courtroom Deputy, Martha Parker Brown, that Ms. Jones did not file these motions and has reported the filing of these motions in Ms. Jones’ name to the State Bar. Accordingly, the Court DENIES these motions.

IT IS SO ORDERED.
